Mr. Mike Mevis
Chair Pine Realtors

Dear Sir,

My husband and I want to let you know what a terrific Realtor you have in Jim Pajda. He was our reactor for our condominium sale.

Jim was very sure we understood details and always on the scene should anything need an explanation.

His time spent with us by phone or personally was to keep us informed. He was always aware of any potential problems and was always ahead of the game.

We have purchased & sold
3 different homes in different
parts of the U.S. - He, by far was
the most professional, informed
and helpful realtor we have
ever had.

His great personality, skills,
intelligence, and attitude are a great
assets. We have recommended him to
our friends and neighbors.

Most Sincerely,

Husband: Ellen Tracy
