Mr. Mike Mevis  
Chair Pine Realtors

Dear Sir,

My husband and I want to let you know what a terrific Realtor you have in Jim Pajda. He was our realtor for our condominium sale.

Jim was very sure we understood details and always on the scene should anything need an explanation.

His time spent with us by phone or personally was to keep us informed. He was always aware of any potential problems and was always ahead of the game.

We have purchased & sold  
3 different homes in different  
parts of the U.S. - He, by far was  
the most professional, informed  
and helpful realtor we have  
ever had.

His great personality, skills,  
intelligence, and attitude are a great  
asset. We have recommended him to  
our friends and neighbors.

Most Sincerely,

Husband: Ellen Tracy
